## HOW TO CITE RULES AND RSMO

### RULES

The rules are codified in the *Code of State Regulations* in this system–

<b>Title</b>	<b>CSR</b>	<b>Division</b>	<b>Chapter</b>	<b>Rule</b>
3	<i>Code of</i>	10-	4	115
Department	<i>State</i>	Agency	General area	Specific area
	<i>Regulations</i>	division	regulated	regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation; for example, 3 CSR 10-4.115, NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

These websites contain rulemakings and regulations as they appear in the *Code* and *Registers*.

Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the Missouri and the United States Constitutions; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

Rules filed as emergency rules may be effective not less than ten (10) business days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the Missouri Register as soon as practicable.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

**TITLE 12 – DEPARTMENT OF REVENUE  
Division 10 – Director of Revenue  
Chapter 2 – Income Tax**

**EMERGENCY RULE**

**12 CSR 10-2.436 SALT Parity Act Implementation**

*PURPOSE: This rule explains how a partnership or an S corporation may elect to become an affected business entity under section 143.436, RSMo, the timing of affected business entity tax return filing, how to designate an affected business entity representative for a tax year, the estimated tax obligations and withholding obligations of an affected business entity, and an aspect of the tax credit under the SALT Parity Act.*

*EMERGENCY STATEMENT: The Director of Revenue (the "Director") finds that an emergency rule is necessary to preserve a compelling governmental interest that requires an early effective date, as the SALT Parity Act (section 143.436, RSMo) applies to the tax year ending December 31, 2022, and authorizes the Director to prescribe by rule how an election to become subject to the tax imposed by the SALT Parity Act may be made, and authorizes the Director to promulgate other rules to implement the SALT Parity Act. Because the SALT Parity Act became law on August 28, 2022, is not possible for a rule to become effective prior to the end of the tax year to which the rule would apply. Failure to have a rule in place as soon possible would constitute a substantial*

*hardship to taxpayers who may wish to elect to become subject to the SALT Parity Act, as no rule would prescribe how or when such an election could be made. Moreover, failure to have a rule in place as soon as possible would cause significant compliance difficulties for taxpayers who are considering becoming subject to the SALT Parity Act, as they may be otherwise unaware of material information about the affected business entity return filing and any extensions thereof, how to designate an affected business entity representative, the withholding obligations and lack of estimated tax payment requirements of an affected business entity, and an aspect of the tax credit under the SALT Parity Act. This emergency rule mitigates such substantial hardship and helps to reduce those compliance difficulties. As a result, the Director finds a compelling governmental interest, which requires this emergency action. A proposed rule covering the same material is published in this issue of the **Missouri Register**. The scope of this emergency rule is limited to the circumstances creating the emergency and complies with the protections extended in the **Missouri and United States Constitutions**. The director believes this emergency rule is fair to all interested persons and parties under the circumstances. This emergency rule was filed December 27, 2022, becomes effective January 11, 2023, and expires July 9, 2023.*

(1) For tax years ending on or after December 31, 2022, a partnership or S corporation electing to become an affected business entity for a tax year shall make such election on its affected business entity tax return (Form MO-PTE). A separate election must be made for each tax year.

(2) An election to become an affected business entity for a tax year shall not be effective if the partnership or S corporation has not successfully designated a person as an affected business entity representative for that tax year at or before the time the partnership or S corporation attempts to make such election. For an election to be effective, the affected business entity tax return (Form MO-PTE) on which the election is made must include the signatures of either:

(A) Each member of the electing entity who is a member at the time the affected business entity tax return is filed; or

(B) An officer, manager, or member of the electing entity who is authorized to make the election and who attests to having such authorization under penalty of perjury.

(3) The deadline for making an election to become an affected business entity for a tax year is the filing deadline for the affected business entity tax return (Form MO-PTE). No election can be made after the deadline, including any approved extension.

(4) If an election to become an affected business entity has been made for a tax year, the election cannot be revoked for that tax year.

(5) At or before the time that a partnership or S corporation files its affected business entity tax return (Form MO-PTE) on which the election is made, the partnership or S corporation shall designate an affected business entity representative for that tax year. Only one natural person may serve as an affected business entity representative for a tax year.

(A) To designate a person as an affected business entity representative, the partnership or S corporation must file with the department a Power of Attorney (Form 2827) designating that person as an appointed representative and giving that person the title of "Affected Business Entity Representative."

(B) The Power of Attorney (Form 2827) must include the

signature of an officer, manager, or member of the partnership or S corporation who is authorized to designate an affected business entity representative and who attests to having such authorization under penalty of perjury. Alternatively, the Power of Attorney (Form 2827) must include the signatures of partners or shareholders who together hold the majority of the voting power of the partnership or S corporation. In lieu of adding signature(s) in the signature box of the Power of Attorney (Form 2827), an attachment shall be included with the filing of the Power of Attorney (Form 2827), containing such signature(s) under the following statement: "Under penalties of perjury, I (we) hereby certify that I (we) am (are) members of, or an officer or manager of, the taxpayer named on this Form 2827, and that I (we together) am (are) authorized to designate an affected business entity representative for the taxpayer."

(C) As necessary qualifications to be designated as an affected business entity representative for a tax year, a person must have a working e-mail address, telephone number, and physical address at which to receive mail.

(D) The Power of Attorney (Form 2827) must include a current working e-mail address, telephone number, and physical mailing address of the person to be designated as the affected business entity representative. A filing lacking any information required by subsections (B) or (D) of this section will be ineffective to designate a person as an affected business entity representative.

(E) If a Power of Attorney (Form 2827) is filed with the signatures required by subsection (B) above, but the filing lacks one or more items of information required by subsection (D) above, or the person who would otherwise serve as affected business entity representative lacks one of the qualifications required by subsection (C) above, that person shall nevertheless be considered an authorized representative of the partnership or S corporation for purposes of receiving and discussing the partnership or S corporation's confidential tax information otherwise protected by section 32.057, RSMo. By way of example, the department may communicate with that person to share what items or qualifications were lacking in the attempt to make that person an affected business entity representative.

(F) If a person has already been designated as an affected business entity representative for an affected business entity's prior tax year, in lieu of the other requirements of this section, that person may be re-designated as an affected business entity representative for a later tax year by the filing of that tax year's affected business entity tax return (Form MO-PTE) and the checking of a box on that return indicating the affected business entity's intent to re-designate that representative.

(6) An affected business entity representative may be removed from the role of affected business entity representative for a tax year if the partnership or S corporation designates a new affected business entity representative for that tax year. The removal of an affected business entity representative does not change the binding effect of any prior actions taken by that affected business entity representative.

(7) An affected business entity is not subject to an estimated income tax declaration filing requirement, or an estimated income tax payment requirement. An affected business entity may choose to make an early payment of its anticipated tax liability for a tax year, even if the tax year is not yet complete.

(8) The election to become an affected business entity does not relieve a partnership or S corporation of its withholding obligations under section 143.411.5, RSMo, or section 143.471.6, RSMo, respectively.

(9) The affected business entity's tax under section 143.436, RSMo, is due at the same time the affected business entity's return is due, that is, by the fifteenth day of the fourth month following the end of the partnership or S corporation's tax year. By this same date, the affected business entity shall file an affected business entity tax return (Form MO-PTE) unless a filing extension is approved by the department. If an affected business entity is approved for a filing extension of the affected business entity tax return (Form MO-PTE), the affected business entity is likewise granted an equal extension of time for the payment of the tax due under Section 143.436, RSMo. Pursuant to Section 143.731.2, RSMo, interest on this tax will continue to accrue regardless of any extension of time for payment.

(10) If a partnership or S corporation has received a federal extension for filing its annual partnership or S corporation federal return, that partnership or S corporation is hereby granted an equal extension of time for filing its affected business entity tax return (Form MO-PTE), except that this extension will be no longer than six months. The partnership or S corporation must attach a copy of the approved federal extension to its affected business entity tax return (Form MO-PTE). This section applies only to partnerships or S corporations that have an original affected business entity tax return due date that matches the original due date of their annual partnership or S corporation federal return.

(11) The tax credits granted to a member of an affected business entity by sections 143.436.8 and 143.436.10, RSMo, shall be computed based on the member's direct and indirect pro rata share of the tax actually paid pursuant to section 143.436, RSMo, by any affected business entity of which such member is directly or indirectly a member. If an affected business entity reduces its tax liability under section 143.436, RSMo, by use of tax credits, other than a credit for payment or overpayment of this tax, the affected business entity's tax actually paid will generally be reduced.

**AUTHORITY:** sections 32.057.2, 136.120, and 143.961, RSMo 2016, and section 143.436, RSMo Supp. 2022. Emergency rule filed Dec. 27, 2022, effective Jan. 11, 2023, expires July 9, 2023. A proposed rule covering this same material is published in this issue of the *Missouri Register*.

**PUBLIC COST:** This emergency rule will cost state agencies or political subdivisions less than eleven thousand dollars (\$11,000) in the time the emergency is effective.

**PRIVATE COST:** This emergency rule will not cost private entities more than five hundred dollars (\$500) in the time the emergency is effective.

**IV. ASSUMPTIONS**

The SALT Parity Act allows the Department to create an entity level income reporting tax return for S Corps and Partnerships. Additionally, members of the S Corps and Partnerships will receive a tax credit on their individual income tax return for the amount of tax paid by the entity. This program will result in the Department adding a line to the MO-1040, the MO-TC and creating the entity level return. These changes are being done by in-house staff who make changes to our tax forms annually. These changes are not expected to result in a fiscal impact.

The Department's internal tax reporting computer system will need to be updated to accept the changes on the MO-1040, MO-TC and the new entity reporting form. The Department has a vendor that makes changes to our system as needed. These changes are expected to result in one-time computer upgrades costs of less than \$11,000.

No other political subdivision or state agency is impacted by the SALT Parity Act.

**TITLE 20 – DEPARTMENT OF COMMERCE AND  
INSURANCE****Division 2110 – Missouri Dental Board  
Chapter 2 – General Rules****EMERGENCY RULE****20 CSR 2110-2.133 Telehealth Dental Pilot Project in  
Medically Underserved Populations**

*PURPOSE: This rule implements the provisions of Section 332.325, RSMo, and creates temporary waivers of provisions of Chapter 332 and previously promulgated regulations pursuant to Section 332.325, RSMo.*

*EMERGENCY STATEMENT: Section 332.325, RSMo, was passed during the 101st General Assembly, 2022, and became effective August 28, 2022. This legislation created an authorization for the Missouri Dental Board to work with the Missouri Department of Health and Senior Services (DHSS) to create pilot projects designed to examine new methods of extending dental care to underserved populations in Missouri. The legislation authorizes the board to promulgate rules creating temporary waivers of existing sections of Chapter 332 and current rules in order to facilitate the delivery of dental care in these limited pilot projects. The legislation specifies that the provisions of section 332.325, RSMo, expire on August 28, 2026, and requires the Missouri Dental Board to provide a final report on the data and findings of the pilot projects by no later than December 31, 2025.*

*The Board has collaborated with DHSS to create a pilot project that will collect data on the delivery of dental care to residents of nursing homes and long-term care facilities utilizing telehealth technology. In order to obtain a valid and relevant sample of data on the effectiveness of these new delivery methods, an earlier effective date of these proposed waivers is necessary.*

*As a result, the Missouri Dental Board finds there is a compelling governmental interest that requires this emergency action. Specifically, this emergency rule is necessary to preserve a compelling governmental interest by enabling an earlier effective date to allow for adequate time to provide care using these new delivery methods and collect relevant data regarding their effectiveness. A proposed rule covering the same material is published in this issue of the **Missouri Register**. The scope of this emergency rule is limited to the circumstances creating the emergency and complies with the protections extended in the **Missouri and United States Constitutions**. The Missouri Dental Board believe this emergency rule is fair to all interested persons and parties under the circumstances. This emergency rule was filed December 28, 2022, becomes effective January 12, 2023, and expires July 10, 2023.*

(1) Pursuant to the provisions of section 332.325, RSMo, the board is collaborating with the Office of Dental Health (ODH) within the Missouri Department of Health and Senior Services (DHSS) to create a pilot project designed to examine new methods of extending dental care to residents in assisted living facilities, intermediate care facilities, residential care facilities, skilled nursing facilities, and homebound special needs patients.

(2) This pilot project, as set forth in section (1) above, will necessitate a waiver of the following provisions of Chapter 332, RSMo, and previously promulgated regulations pursuant to section 332.325, RSMo.

(A) Specific provisions of sections 332.093 and 332.098, RSMo, and 20 CSR 2110-2.120 in order to allow a dentist to supervise a dental assistant, certified dental assistant, or expanded functions dental assistant using telehealth technology. A

supervising dentist may delegate to an expanded functions dental assistant any expanded function duties that dental assistant has a board issued permit for.

(B) Specific provisions of 20 CSR 2110-2.130 to allow a licensed dental hygienist to administer local anesthetic under the supervision of a dentist using telehealth technology.

(C) Specific provisions of sections 332.071 and 332.093, RSMo, and 20 CSR 2110-2.120 and temporary restorations or caries arresting fluoride under the supervision of a dentist using telehealth technology subsequent to an examination and diagnosis by the supervising dentist.

(D) Specific provisions of 20 CSR 2110-2.001 and 20 CSR 2110-2.130 to allow a licensed dental hygienist to provide scaling and polishing, root planning, and nonsurgical periodontal procedures prior to the supervising dentist performing an examination pursuant to standing orders written by the supervising dentist.

(3) The provisions of this rule shall only apply to dental healthcare workers providing services pursuant to a pilot project created through a collaboration between ODH and the board and shall expire on August 28, 2026, in accordance with section 332.325, RSMo.

*AUTHORITY: section 332.031, RSMo 2016, and section 332.325, RSMo Supp. 2022. Emergency rule filed Dec. 28, 2022, effective Jan. 12, 2023, expires July 10, 2023. A proposed rule covering this same material is published in this issue of the **Missouri Register**.*

*PUBLIC COST: This emergency rule will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the time the emergency is effective.*

*PRIVATE COST: This emergency rule will not cost private entities more than five hundred dollars (\$500) in the time the emergency is effective.*

The Secretary of State shall publish all executive orders beginning January 1, 2003, pursuant to section 536.035.2, RSMo.

ATTEST:

JOHN R. ASHCROFT  
SECRETARY OF STATE

The text of proposed rules and changes will appear under this heading. A notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This explanation is set out in the PURPOSE section of each rule. A citation of the legal authority to make rules is also required, and appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules that are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close-of-comments date will be used as the beginning day in the ninety- (90-) day count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice, file a new notice of proposed rulemaking, and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

**Boldface text indicates new matter.**

### TITLE 3 – DEPARTMENT OF CONSERVATION Division 10 – Conservation Commission Chapter 11 – Wildlife Code: Special Regulations for Department Areas

#### PROPOSED AMENDMENT

**3 CSR 10-11.111 Commercial Use.** The commission proposes to amend section (1) and remove section (4).

**PURPOSE:** This amendment removes section (4) from the Commercial Use rule. Photography and videography will now be covered in a new rule, 3 CSR 10-11.112, that includes commercial and non-commercial photography and videography. Changes to this rule also allow exemptions to the requirement of a permit for certain commercial uses.

(1) Certain commercial uses are permitted on department areas and require a commercial use permit or a special use permit, **except** as **otherwise** provided in this chapter. Commercial use is defined as any activity that directly or indirectly results in financial benefit or gain, or where money is exchanged in connection with the activity.

[(4) **Photography/Videography.** A commercial use permit is required for any person or entity engaged in commercial photography or videography, such as professional photography, commercials, advertising, promotionals, television, or documentaries. No commercial use permit is required for news agencies. A permit may be denied if the use is determined to be incompatible with the department's mission, in conflict with other uses, or potentially harmful to persons or property. Permit fees may be waived for conservation-related organizations where the project will promote or benefit conservation interests. A separate approval is required when using an unmanned aerial system (UAS) or drone for photography or videography. Liability insurance may be required for any commercial photography or videography permit.

(A) A Commercial Photography Permit is required for commercial photographers taking photographs on department areas. Fee: one-hundred dollars (\$100) annually.

1. Photographers using the Commercial Photography Permit must also possess an approved special use permit for photography involving special accommodations, use of an unmanned aerial system (UAS) or drone, use of props, when

more than ten (10) people are involved, or on department lands associated with nature and education centers, staffed ranges, offices, and on the following department areas:

- A. Burr Oak Woods Conservation Area;
- B. Busch (August A.) Memorial Conservation Area;
- C. Reed (James A.) Memorial Wildlife Area; and
- D. Rockwoods Reservation.

(B) A Commercial Videography Permit is required for all commercial videography on department areas. Fee: five-hundred dollars (\$500) per day.]

**AUTHORITY:** sections 40 and 45 of Art. IV, Mo. Const., and section 252.040, RSMo 2016. Original rule filed Sept. 4, 2020, effective July 1, 2021. Amended: Filed Dec. 21, 2022.

**PUBLIC COST:** This proposed amendment will cost state agencies or political subdivisions approximately fifteen thousand eight hundred dollars (\$15,800) in lost revenue annually. There will be a corresponding reduction in staff time and expenses to issue permits since commercial photography permits and commercial videography permits will no longer be issued.

**PRIVATE COST:** This proposed amendment will not cost private entities more than five hundred dollars (\$500) in the aggregate.

**NOTICE TO SUBMIT COMMENTS:** Anyone may file a statement in support of or in opposition to this proposed amendment with Regulations Committee Chairman, Department of Conservation, PO Box 180, Jefferson City, MO 65102-0180, or via the department's website at <https://short.mdc.mo.gov/Z49>. To be considered, comments must be received within thirty (30) days after publication of this notice in the **Missouri Register**. No public hearing is scheduled.

**TITLE 12 – DEPARTMENT OF REVENUE  
Division 10 – Director of Revenue  
Chapter 2 – Income Tax**

**PROPOSED RULE**

**12 CSR 10-2.436 SALT Parity Act Implementation**

*PURPOSE: This rule explains how a partnership or an S corporation may elect to become an affected business entity under section 143.436, RSMo, the timing of affected business entity tax return filing, how to designate an affected business entity representative for a tax year, the estimated tax obligations and withholding obligations of an affected business entity, and an aspect of the tax credit under the SALT Parity Act.*

(1) For tax years ending on or after December 31, 2022, a partnership or S corporation electing to become an affected

business entity for a tax year shall make such election on its affected business entity tax return (Form MO-PTE). A separate election must be made for each tax year.

(2) An election to become an affected business entity for a tax year shall not be effective if the partnership or S corporation has not successfully designated a person as an affected business entity representative for that tax year at or before the time the partnership or S corporation attempts to make such election. For an election to be effective, the affected business entity tax return (Form MO-PTE) on which the election is made must include the signatures of either –

(A) Each member of the electing entity who is a member at the time the affected business entity tax return is filed; or

(B) An officer, manager, or member of the electing entity who is authorized to make the election and who attests to having such authorization under penalty of perjury.

(3) The deadline for making an election to become an affected business entity for a tax year is the filing deadline for the affected business entity tax return (Form MO-PTE). No election can be made after the deadline, including any approved extension.

(4) If an election to become an affected business entity has been made for a tax year, the election cannot be revoked for that tax year.

(5) At or before the time that a partnership or S corporation files its affected business entity tax return (Form MO-PTE) on which the election is made, the partnership or S corporation shall designate an affected business entity representative for that tax year. Only one natural person may serve as an affected business entity representative for a tax year.

(A) To designate a person as an affected business entity representative, the partnership or S corporation must file with the department a Power of Attorney (Form 2827) designating that person as an appointed representative and giving that person the title of "Affected Business Entity Representative."

(B) The Power of Attorney (Form 2827) must include the signature of an officer, manager, or member of the partnership or S corporation who is authorized to designate an affected business entity representative and who attests to having such authorization under penalty of perjury. Alternatively, the Power of Attorney (Form 2827) must include the signatures of partners or shareholders who together hold the majority of the voting power of the partnership or S corporation. In lieu of adding signature(s) in the signature box of the Power of Attorney (Form 2827), an attachment shall be included with the filing of the Power of Attorney (Form 2827), containing such signature(s) under the following statement: "Under penalties of perjury, I (we) hereby certify that I (we) am (are) members of, or an officer or manager of, the taxpayer named on this Form 2827, and that I (we together) am (are) authorized to designate an affected business entity representative for the taxpayer."

(C) As necessary qualifications to be designated as an affected business entity representative for a tax year, a person must have a working email address, telephone number, and physical address at which to receive mail.

(D) The Power of Attorney (Form 2827) must include a current working email address, telephone number, and physical mailing address of the person to be designated as the affected business entity representative. A filing lacking any information required by subsections (B) or (D) of this section will be ineffective to designate a person as an affected business entity representative.

(E) If a Power of Attorney (Form 2827) is filed with the

signatures required by subsection (B) above, but the filing lacks one (1) or more items of information required by subsection (D) above, or the person who would otherwise serve as affected business entity representative lacks one (1) of the qualifications required by subsection (C) above, that person shall nevertheless be considered an authorized representative of the partnership or S corporation for purposes of receiving and discussing the partnership or S corporation's confidential tax information otherwise protected by section 32.057, RSMo. By way of example, the department may communicate with that person to share what items or qualifications were lacking in the attempt to make that person an affected business entity representative.

(F) If a person has already been designated as an affected business entity representative for an affected business entity's prior tax year, in lieu of the other requirements of this section, that person may be re-designated as an affected business entity representative for a later tax year by the filing of that tax year's affected business entity tax return (Form MO-PTE) and the checking of a box on that return indicating the affected business entity's intent to re-designate that representative.

(6) An affected business entity representative may be removed from the role of affected business entity representative for a tax year if the partnership or S corporation designates a new affected business entity representative for that tax year. The removal of an affected business entity representative does not change the binding effect of any prior actions taken by that affected business entity representative.

(7) An affected business entity is not subject to an estimated income tax declaration filing requirement, or an estimated income tax payment requirement. An affected business entity may choose to make an early payment of its anticipated tax liability for a tax year, even if the tax year is not yet complete.

(8) The election to become an affected business entity does not relieve a partnership or S corporation of its withholding obligations under section 143.411.5, RSMo, or section 143.471.6, RSMo, respectively.

(9) The affected business entity's tax under section 143.436, RSMo, is due at the same time the affected business entity's return is due, that is, by the fifteenth day of the fourth month following the end of the partnership or S corporation's tax year. By this same date, the affected business entity shall file an affected business entity tax return (Form MO-PTE) unless a filing extension is approved by the department. If an affected business entity is approved for a filing extension of the affected business entity tax return (Form MO-PTE), the affected business entity is likewise granted an equal extension of time for the payment of the tax due under section 143.436, RSMo. Pursuant to section 143.731.2, RSMo, interest on this tax will continue to accrue regardless of any extension of time for payment.

(10) If a partnership or S corporation has received a federal extension for filing its annual partnership or S corporation federal return, that partnership or S corporation is hereby granted an equal extension of time for filing its affected business entity tax return (Form MO-PTE), except that this extension will be no longer than six (6) months. The partnership or S corporation must attach a copy of the approved federal extension to its affected business entity tax return (Form MO-PTE). This section applies only to partnerships or S corporations that have an original affected business entity tax return due date that matches the original due date of their annual partnership or S corporation federal return.

(11) The tax credits granted to a member of an affected business entity by sections 143.436.8 and 143.436.10, RSMo, shall be computed based on the member's direct and indirect pro rata share of the tax actually paid pursuant to section 143.436, RSMo, by any affected business entity of which such member is directly or indirectly a member. If an affected business entity reduces its tax liability under section 143.436, RSMo, by use of tax credits, other than a credit for payment or overpayment of this tax, the affected business entity's tax actually paid will generally be reduced.

*AUTHORITY: sections 32.057.2, 136.120, and 143.961, RSMo 2016, and section 143.436, RSMo Supp. 2022. Emergency rule filed Dec. 27, 2022, effective Jan. 11, 2023, expires July 9, 2023. Original rule filed Dec. 27, 2022.*

*PUBLIC COST: This proposed rule will cost state agencies or political subdivisions less than eleven thousand dollars (\$11,000) in the aggregate.*

*PRIVATE COST: This proposed rule will not cost private entities more than five hundred dollars (\$500) in the aggregate.*

*NOTICE TO SUBMIT COMMENTS: Anyone may file a statement in support of or in opposition to this proposed rule with the Missouri Department of Revenue, Legislative Office, 301 W. High Street, Room 218, Jefferson City, MO 65105-0475. To be considered, comments must be received within thirty (30) days after publication of this notice in the **Missouri Register**. <b>Rule Number and Name:</b>	12 CSR 10.2436 SALT Parity Act Implementation
<b>Type of Rulemaking:</b>	New

**II. SUMMARY OF FISCAL IMPACT**

Affected Agency or Political Subdivision	Estimated Cost of Compliance in the Aggregate
Department of Revenue	Less than \$11,000

**III. WORKSHEET**

**IV. ASSUMPTIONS**

The SALT Parity Act allows the Department to create an entity level income reporting tax return for S Corps and Partnerships. Additionally, members of the S Corps and Partnerships will receive a tax credit on their individual income tax return for the amount of tax paid by the entity. This program will result in the Department adding a line to the MO-1040, the MO-TC and creating the entity level return. These changes are being done by in-house staff who make changes to our tax forms annually. These changes are not expected to result in a fiscal impact.

The Department's internal tax reporting computer system will need to be updated to accept the changes on the MO-1040, MO-TC and the new entity reporting form. The Department has a vendor that makes changes to our system as needed. These changes are expected to result in one-time computer upgrades costs of less than \$11,000.

No other political subdivision or state agency is impacted by the SALT Parity Act.

*[(11)](10)* Amateur contestants shall not receive any valuable consideration for their participation in an amateur event including but not limited to a purse, percentage of ticket sales, and/or discounts for gym training fees. No more than one hundred (\$100) dollars may be paid to an amateur contestant for travel expenses for participation in a bout.

*[(12)](11)* Injuries Sustained by Fouls.

(A) Intentional Fouls.

1. If an intentional foul causes an injury, and the injury is severe enough to terminate a bout immediately, the contestant causing the injury shall lose by disqualification.

2. If an intentional foul causes an injury and the bout is allowed to continue, the referee may notify the authorities and deduct two (2) points from the contestant who caused the foul. Point deductions for intentional fouls are mandatory.

3. If an intentional foul causes an injury and the injury results in the bout being stopped in a later round, the injured contestant shall win by technical decision if he/she is ahead on the scorecards or the bout shall result in a technical draw if the injured contestant is behind or even on the scorecards.

4. If a contestant injures himself/herself while attempting to intentionally foul his/her opponent, the referee shall not take any action in his/her favor, and this injury shall be the same as one produced by a fair blow.

5. If the referee feels that a contestant has conducted himself/herself in an unsportsmanlike manner he/she may stop the bout and disqualify the contestant; *and*.

(B) Accidental Fouls.

1. If an accidental foul causes an injury severe enough for the referee to stop the bout immediately, the bout is a no contest if stopped before half of the scheduled rounds have been completed.

2. If an accidental foul causes an injury severe enough for the referee to stop the bout immediately after half of the scheduled rounds have been completed, the bout may result in a technical decision awarded to the contestant who is ahead on the scorecards at the time the bout is stopped. A partial or incomplete round is scored. If no action has occurred, the round is scored as an even round. This is at the discretion of the judges.

3. A contestant who is hit with an accidental low blow must continue after a reasonable amount of time, but no more than five (5) minutes, or he/she may lose the bout by technical

knockout.

*[(13)](12)* Except as provided herein, any contestant guilty of foul tactics in a round shall be given an immediate warning or points may be deducted from the contestant's total score, or both, as determined by the referee. The use of foul tactics may also result in the disqualification of the contestant.

*[(14)](13)* A contestant who intentionally refuses to engage an opponent for a prolonged period of time may receive an immediate warning from the referee. If the contestant continues these tactics after a warning, a point(s) may be deducted by the referee.

**Division 70 – MO HealthNet Division**  
**Chapter 3 – Conditions of Provider Participation,**  
**Reimbursement, and Procedure of General**  
**Applicability**

**ORDER OF RULEMAKING**

By the authority vested in the Department of Social Services, MO HealthNet Division, under sections 208.153, 208.201, and 660.017, RSMo 2016, the division amends a rule as follows:

13 CSR 70-3.030 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on September 1, 2022 (47 MoReg 1291-1298). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The MO HealthNet Division received twenty-two (22) comments on the proposed amendment.

COMMENT #1: Carol Hudspeth, Executive Director with the Missouri Alliance for Home Care, comments on 13 CSR 70-3.030(2)(A), which requires that an adequate and complete patient record include the name, title, and signature of the MO HealthNet enrolled provider delivering the service. She believes that title and signature of a provider is not required in EVV documentation, and that there is no title line when billing for such services.

RESPONSE AND EXPLANATION OF CHANGE: Thank you for your comment. MO HealthNet Division (MHD) takes into account the unique circumstances of certain provider types. Further, MHD added paragraph 13. to subsection (2)(A) to clarify that, for a complete patient record, all the requirements in subsection (2)(A) apply unless a more specific provider regulation applies.

COMMENT #2: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Purpose clause: While the stated purpose is to update, clarify and simplify language in the existing rule, it does not appear to accomplish that. Furthermore, it certainly has not cured the redundancy

that exists in the existing rule but reintroduces new redundancies. As you will see, the approach taken is different from what is in the existing rule although the subjects covered appear to be the same in many places.

RESPONSE: MHD appreciates Mr. Schlemeier's comment, but will not be making any changes to the purpose clause of the proposed amendment.

COMMENT #3: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Subsection (2) (B) – The definition of “Exclusion” is too vague and indefinite to properly inform a provider of what constitutes grounds for an “exclusion.” The definition describes what the effect of an exclusion is rather than what constitutes an exclusion. For example, it uses the phrase “fraud convictions to patient abuse,” implying there is something between those two that constitutes an “exclusion” as opposed to conduct, giving rise to an exclusion. There is also a question whether the exclusion has to be conduct related to the MO HealthNet program.

RESPONSE AND EXPLANATION OF CHANGE: MHD agrees to change the definition of “exclusion” as defined in the proposed amendment. The definition of exclusion will be defined to mean a penalty where items and services furnished, ordered, prescribed by a specified individual or entity will not be reimbursed under Medicare, Medicaid, and all other federal health care programs until the individual or entity is reinstated by the Office of Inspector General and Missouri Medicaid Audit and Compliance Unit.

COMMENT #4: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Paragraph (3) (A)1. – This language, which would permit administrative action for failing to “meet standards under state or federal law for participation (for example, licensure) . . .” is vague and indefinite to meet the requirements of section 536.021 to provide proper notice of what those “standards” are that must be met.

RESPONSE: MHD appreciates Mr. Schlemeier's comment. However, the standards that are required for participation in the Medicaid program are in other state and federal regulations and statutes. MHD will not be making any changes to the proposed amendment based on this comment.

COMMENT #5: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Paragraph (3) (A)2. – This would make failure to comply with the enrollment agreement grounds for administrative action. I do not believe that all enrollment agreements for each provider type are identical. If I am correct, this could create different standards, depending on the language of the provider agreement as well as the language cited as constituting the violation. Under the existing regulation at paragraph (3)(A)7., there is a similar provision regarding “Breaching of the terms of the MO HealthNet provider agreement of any current written and published policies and procedures of the MO HealthNet program. . . .” In other words, current language relates to current published policies with which the signor of an enrollment agreement agrees to comply rather than just some language in the provider agreement itself which would be immaterial to actual compliance.

RESPONSE: MHD would like to point out that the provider agreements all share the same provisions, for which all providers are expected to be in compliance. MHD is not making any changes to the proposed amendment based on this comment.

COMMENT #6: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Paragraph (3)

(A)8. – This paragraph references Section 6032 of the Federal Deficit Reduction Act of 2005 (a copy is attached to cover e-mail). That section is the one that requires providers participating in the Medicare and Medicaid programs to have policies and procedures on fraud, abuse and false claims and to orient their employees annually concerning that. It is not clear what is the process for making the “annual attestation of compliance” nor is it clear what the standard that the MMAC would apply for what constitutes compliance with it.

RESPONSE AND EXPLANATION OF CHANGE: MHD will incorporate the required attestation in this proposed amendment, delete “make,” and replace it with “submit” to clarify the requirements of this provision.

COMMENT #7: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Paragraph (3)(A)11. – This paragraph would possibly prevent providers which are not paid for service from rebilling for that service. It not uncommon for providers to have to rebill when an initial claim is rejected or ignored.

RESPONSE AND EXPLANATION OF CHANGE: MHD has added clarifying language to this paragraph to address Mr. Schlemeier’s comment. MHD has added to the paragraph that receiving reimbursement more than once for the same service when the single state agency or its agents did not cause duplicate billings could subject a provider to administrative action by the agency.

COMMENT #8: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Paragraph (3)(A)15. – This reference to “provider manuals” creates the same problem inherent in paragraph 13. All contents of a provider manual would subject a provider to administrative action could be too punitive, although the division is not likely to pursue each of those, maybe a standard inserted would suffice.

RESPONSE AND EXPLANATION OF CHANGE: MHD added language to this paragraph to clarify that the specific provider-type manual is the provider manual that will be applicable to a situation regarding a breach of MHD’s published policies.

COMMENT #9: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Paragraph (3)(A)16. – It is not clear what constitutes “adequate documentation.” This merely continues the same requirement found in the existing rule. As a practical matter, MMAC under the current director, has applied this requirement in a mostly reasonable and practical way to determine what constitutes “adequate documentation” on a case-by-case basis. Our concern is when Dale leaves the MMAC. Also, the requirement to provide records “upon request” could be abused if the MMAC auditor is unreasonable. It would be helpful to have a time period in the rule for a request to be met without penalty or sanction.

RESPONSE AND EXPLANATION OF CHANGE: MHD added clarifying language to this paragraph to require that records be provided to the department within ten (10) business days of a request.

COMMENT #10: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Subparagraph (3)(A)16.A. – This paragraph requires maintenance of documentation “contemporaneous to the date of service.” Does this prevent later corrections to medical records when more accurate information becomes available?

RESPONSE: Mr. Schlemeier is asking a question about interpretation of the rule. MHD is not making any changes to the proposed amendment as a result of this comment.

COMMENT #11: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Subparagraph (3)(A)16.D. – This paragraph perhaps refines the requirement discussed in paragraph (3)(A)16.A. above by using the word “timely.”

RESPONSE AND EXPLANATION OF CHANGE: MHD deleted the word “timely” and replaced it with ten (10) business days from a request.

COMMENT #12: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Subparagraphs (3)(A)16.E. & G. – In subparagraph E. it uses the word “provide”; in subparagraph G. it uses the word “send.” I am not sure of the distinction, although one may cover handing documents to an investigator as opposed to mailing them to the MMAC. It needs to be clarified.

RESPONSE AND EXPLANATION OF CHANGE: MHD has deleted subparagraphs (3)(A)16.E. and G. from the proposed amendment. The subparagraphs in that paragraph were re-lettered.

COMMENT #13: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Paragraph (3)(A)23. – See comment to paragraph (3)(A)5., above.

RESPONSE: Mr. Schlemeier did not have a comment to paragraph (3)(A)5. MHD is not making any changes to the proposed amendment based on this comment.

COMMENT #14: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Paragraph (3)(A)29. – If the standard is “medical necessity,” then please insert that phrase, but using the undefined term “demonstrable need” appears to the MMAC subjective decision making.

RESPONSE AND EXPLANATION OF CHANGE: MHD has replaced “no demonstrable need” with “no medical necessity” as a result of this comment.

COMMENT #15: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Paragraph (3)(A)32. – Unspecified “codes of ethics” are incorporated without reference to a specific published standard. Perhaps use the respective industry’s Codes of Ethics.

RESPONSE AND EXPLANATION OF CHANGE: MHD has added clarifying language that the Code of Ethics would apply as it pertains specifically to the provider.

COMMENT #16: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Paragraph (3)(A)33. – This paragraph delegates to “an association of the provider’s peers” the right to sanction, which then becomes a basis for the MMAC to take administrative action. As such it is unconstitutional because the state agency has the obligation to prove the conduct which violates the law and cannot delegate that to a private “peer” group of the provider where there may be little or no due process.

RESPONSE: This paragraph does not delegate any authority of the department to an association or board of licensure. MHD is not making any changes as a result of this comment.

COMMENT #17: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Paragraph (3)(A)36. – This makes negligence (as opposed to “gross negligence”) grounds to take administrative action against the provider. This will send malpractice premium rates through the roof assuming it does not result in malpractice insurance becoming unavailable. This would match the standard found in many of the tort laws in Missouri.

RESPONSE AND EXPLANATION OF CHANGE: MHD added gross negligent practice to this paragraph to clarify its meaning.

COMMENT #18: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Paragraph (3) (A)37. – First, I am not sure what “invokes” means. Does this require access by the provider in the other state Medicaid program to full due process or something less and below Missouri’s due process standard? This potentially makes a mere allegation in another state grounds for administrative action by the MMAC.

RESPONSE AND EXPLANATION OF CHANGE: MHD will delete “invoked” and replace it with “administered” in response to this comment.

COMMENT #19: Jorgen Schlemeier with the Missouri Dental Association (MDA) comments the following: Paragraph (3) (A)38. – It is not clear from this paragraph whether as used in this paragraph “criminal fraud” means a conviction or plea of guilty. That should be clarified.

RESPONSE AND EXPLANATION OF CHANGE: Thank you for your comments. MHD will delete “committing” and add “an administrative or judicial finding of” before “civil or criminal fraud” to provide clarification in response to this comment.

COMMENT #20: Darla Weekly from Missouri Medicaid Audit and Compliance (MMAC) comments the following: 13 CSR 70-3.030(2)(A)/13.(B)(C)(D)]: “Adequate documentation” Why are these definitions being deleted? Subsection (2)(C) is an imposed administrative action and (D) is in 16. A as an administrative action. (D) is not defined anywhere else in this reg. nor is it found under 13 CSR 65-2.010.

RESPONSE AND EXPLANATION OF CHANGE: MHD inadvertently deleted subsections (C) and (D) in section (2). It will undelete subsections (C) and (D), and re-letter the subsections in section (2).

COMMENT #21: Darla Weekly from Missouri Medicaid Audit and Compliance (MMAC) comments the following: 13 CSR 70-3.030(4)(G) “[sanctions] administrative actions” Definition under 13 CSR 65-2.010(10) also addresses a closed-end provider agreement not exceeding 24 months and here, it references not to exceed 12 months, which creates a conflict.

RESPONSE: The department appreciates the comment; however, subsection (4)(G) was not in the proposed and cannot be changed at this time. The department will consider this change the next time the rule is up for amendment.

COMMENT #22: Darla Weekly from Missouri Medicaid Audit and Compliance (MMAC) comments the following: 13 CSR 70-3.030(5)(A) “Imposition of [a Sanction] an Administrative Action” Should this be MMAC or should it be left as MHD?

RESPONSE AND EXPLANATION OF CHANGE: MHD will change the reference to MO HealthNet Division in subsection (5)(A) to Missouri Medicaid Audit and Compliance Unit.

### **13 CSR 70-3.030 Administrative Actions for Improperly Paid, False, or Fraudulent Claims for MO HealthNet Services**

(2) The following definitions will be used in administering this rule:

(A) “Adequate documentation” means documentation from which services rendered and the amount of reimbursement received by a provider can be readily discerned and verified with reasonable certainty. “Adequate medical records” are records which are of the type and in a form from which symptoms, conditions, diagnosis, treatments, prognosis, and the identity of the patient to which these things relate can be readily discerned and verified with reasonable certainty. Not all documentation is considered a medical record. Certain services such as respite, and certain in-home services will not contain all the information that a medical record contains.

All documentation must be made available at the same site at which the service was rendered, unless the services were provided in the participant’s home, via a mobile unit, or other circumstance that would require the records be kept at an office location away from the delivery site. An adequate and complete patient record is a record which is legible, which is made contemporaneously with the delivery of the service, which addresses the patient/client specifics, which include, at a minimum, individualized statements that support the assessment or treatment encounter, and shall include documentation of the following information:

1. First name, last name, and either middle initial or date of birth of the MO HealthNet participant;

2. An accurate, complete, and legible description of each service(s) provided;

3. Name, title, and signature of the MO HealthNet-enrolled provider delivering the service. Inpatient hospital services must have signed and dated physician, physician assistant, nurse practitioner, or psychologist orders within the patient’s medical record for the admission and for services billed to MO HealthNet. For patients registered on hospital records as outpatient, the patient’s medical record must contain signed and dated physician orders for services billed to MO HealthNet. Services provided by an individual under the direction or supervision are not reimbursed by MO HealthNet. Services provided by a person not enrolled with MO HealthNet are not reimbursed by MO HealthNet;

4. The name of the referring entity, when applicable;

5. The date of service (month/day/year);

6. For those MO HealthNet programs and services that are reimbursed according to the amount of time spent in delivering or rendering a service(s) (except for services American Medical Association Current Procedural Terminology (CPT) procedure codes 99291–99292 and targeted case management services administered through the Department of Mental Health and as specified under 13 CSR 70-91.010 Personal Care Program (4)(A)) the actual begin and end time taken to deliver the service (for example, 4:00–4:30 p.m.) or for Evaluation and Management (E/M) CPT procedures codes 99202–99215, the total time spent on the service must be documented;

7. The setting in which the service was rendered;

8. The plan of treatment, evaluation(s), test(s), findings, results, and prescription(s) as necessary. Where a hospital acts as an independent laboratory or independent radiology service for persons considered by the hospital as “nonhospital” patients, the hospital must have a written request or requisition slip ordering the tests or procedures;

9. The need for the service(s) in relationship to the MO HealthNet participant’s treatment plan;

10. The MO HealthNet participant’s progress toward the goals stated in the treatment plan (progress notes);

11. Long-term care facilities shall be exempt from the seventy-two- (72-) hour documentation requirements rules applying to paragraphs (2)(A)9. and (2)(A)10. However, applicable documentation should be contained and available in the entirety of the medical record;

12. For applicable programs, it is necessary to have adequate invoices, trip tickets/reports, activity log sheets, employee records (excluding health records), and training records of staff; and

13. A complete patient record must include all aforementioned requirements unless a more specific provider regulation applies;

(B) “Closed-end provider agreement” means an agreement that is for a specified period of time, not to exceed twenty-four (24) months, and that must be renewed in order for the provider to continue to participate in the MO HealthNet program;

(C) “Contemporaneous” or “Contemporaneously” means at the time the service was performed or within five (5) business days, of the time the service was provided;

(D) “Exclusion” means a penalty where items and services furnished, ordered, or prescribed by a specified individual or entity that will not be reimbursed under Medicare, Medicaid, and all other Federal health care programs until the individual or entity is reinstated by the Office of Inspector General and Missouri Medicaid Audit and Compliance Unit;

(E) “Federal health care program” means a program as defined in section 1128B(f) of the Social Security Act;

(F) “Fiscal agent” means an organization under contract to the state MO HealthNet agency for providing any services in the administration of the MO HealthNet program;

(G) “MO HealthNet agency” or the “agency” or the “single state agency” means the Department of Social Services, which is the single state agency charged with administering or supervising the administration of the MO HealthNet (Medicaid) program in Missouri;

(H) “Open-end provider agreement” means an agreement that has no specific termination date and continues in force as long as it is agreeable to both parties;

(I) “Participation” means the ability and authority to provide services or merchandise to eligible MO HealthNet participants and to receive payment from the MO HealthNet program for those services or merchandise;

(J) “Person” means any natural person, company, firm, partnership, unincorporated association, corporation, or other legal entity;

(M) “Supervision” means to direct an employee of the provider in the performance of a covered and allowable service such as under the MO HealthNet dental and nurse midwife programs or a covered and allowable non-psychiatric service under the MO HealthNet physician program. In order to direct the performance of such service, the provider must be in the office where the service is being provided and must be immediately available to give directions in person to the employee actually rendering the service and the adequately documented service must be cosigned by the enrolled billing provider;

(N) “Suspension from participation” means an exclusion from participation for a specified period of time;

(O) “Suspension of payments” means placement of payments due a provider in an escrow account;

(P) “Termination from participation” means the ending of participation in the MO HealthNet program; and

(3) Program Violations.

(A) Administrative actions may be imposed by the MO HealthNet agency against a provider for any one (1) or more of the following reasons:

1. A determination that the provider failed to meet standards under state or federal law for participation (for example, licensure);

2. Failure to comply with the provisions of the signed Missouri Department of Social Services, MO HealthNet Division Title XIX Participation Agreement with the provider relating to health care services. The standard agreement is accessible online and incorporated by reference and made a part of this rule as published by the Department of Social Services, MO HealthNet Division, 615 Howerton Court, Jefferson City, MO 65109, at its website [www.dss.mo.gov/mhd](http://www.dss.mo.gov/mhd), November 29, 2022. This rule does not incorporate any subsequent amendments or additions;

3. Rebating or accepting a fee or portion of a fee or charge for a MO HealthNet patient referral, or collecting a portion of the service fee from the participant;

4. Failure to accept MO HealthNet payment as payment in full for covered services or collecting additional payment from a participant or responsible person;

5. Failure to reverse or credit back to MO HealthNet within thirty (30) days any pharmacy claims submitted to the agency that represent products or services not received by the participant; for example, prescriptions that were returned to stock because they were not picked up;

6. For providers of Consumer Directed Services (CDS), failure to submit to MO Medicaid Audit and Compliance (MMAC) a required CDS quarterly Financial and Services report, annual service report, or an annual financial statement audit or financial statement review;

7. Failure to utilize an Electronic Visit Verification (EVV) system that complies with the requirements of 13 CSR 70-3.320 to document delivery of personal care services requiring EVV usage;

8. Failure to submit to MMAC an annual attestation of compliance with the provisions of Section 6032 of the federal Deficit Reduction Act of 2005 by March 1 of each year, or failing to provide a requested copy of an attestation, or failing to provide written notification of having more than one (1) federal tax identification number by September 30 of each year, or failing to provide requested proof of a claimed exemption from the provisions of Section 6032 of the federal Deficit Reduction Act of 2005. The attestation is incorporated by reference and made a part of this rule as published by the Department of Social Services, MMAC Unit, 205 Jefferson St, Jefferson City, MO 65101, November 29, 2022. This rule does not incorporate any subsequent amendments or additions;

9. Failure to advise MMAC, in writing, on enrollment forms specified by the single state agency, of any changes affecting the provider's enrollment records within ninety (90) days of the change, with the exception of change of ownership or control of any provider which must be reported within thirty (30) days;

10. Refusing to execute a new provider agreement when requested to do so by MMAC in order to preserve the single state agency's compliance with federal and state requirements; or failure to execute an agreement within thirty (30) days for compliance purposes;

11. Billing and receiving reimbursement from the MO HealthNet program more than once for the same service when the duplicate billings were not caused by the single state agency or its agents;

12. Billing the state MO HealthNet program for services not provided prior to the date of billing (“prebilling”), except in the case of prepaid health plans or pharmacy claims

submitted by point-of-service technology, whether or not the rebilling causes loss or harm to the MO HealthNet program;

13. Submitting claims for services not personally rendered by the individually enrolled provider, except for the provisions specified in the MO HealthNet programs where such claims may be submitted only if the individually enrolled provider directly supervised the person who actually performed the service and the person was employed by the enrolled provider at the time the service was rendered. Such policies and procedures are contained in provider manuals which are incorporated by reference and made a part of this rule as published by the Department of Social Services, MO HealthNet Division, 615 Howerton Court, Jefferson City, MO 65109, at its website [www.dss.mo.gov/mhd](http://www.dss.mo.gov/mhd), November 29, 2022. This rule does not incorporate any subsequent amendments or additions;

14. Failure to provide and maintain quality, necessary, and appropriate services, including adequate staffing for MO HealthNet participants, within accepted medical community standards as adjudged by a body of peers, as set forth in both federal and state statutes or regulations. The medical review may be conducted by qualified peers employed by the single state agency;

15. Breaching of the terms of the MO HealthNet provider agreement or of any current written and published policies and procedures of the MO HealthNet program as it pertains to the specific provider type(s) or failing to comply with the terms of the provider certification on the MO HealthNet claim form. Such policies and procedures are contained in provider manuals which are incorporated by reference and made a part of this rule as published by the Department of Social Services, MO HealthNet Division, 615 Howerton Court, Jefferson City, MO 65109, at its website [www.dss.mo.gov/mhd](http://www.dss.mo.gov/mhd), November 29, 2022. This rule does not incorporate any subsequent amendments or additions;

16. Failure to meet any of the documentation requirements under this paragraph. All records must be kept a minimum of six (6) years from the date of service unless a more specific provider regulation applies. The minimum six- (6-) year retention of records requirement continues to apply in the event of a change of ownership or discontinuing enrollment in MO HealthNet. Services billed to the MO HealthNet agency that are not adequately documented in the patient's medical records or for which there is no record that services were performed shall be considered a violation of this section. Copies of records must be provided upon request or within ten (10) business days from the request to the single state agency or its authorized agents, regardless of the media in which they are kept –

A. Failure to maintain documentation which is to be made contemporaneously to the date of service; supplemental documentation is allowable as long as the original documentation is not altered after the documentation has been made contemporaneously and all additional documents are dated and the name of the person who edited the document is included;

B. Failure to maintain records for services provided and all billing done under provider number regardless to whom the reimbursement is paid and regardless of whom in their employment or service produced or submitted the MO HealthNet claim or both;

C. Failure to make available, and disclosing to the MO HealthNet agency or its authorized agents, all records relating to services provided to MO HealthNet participants or records relating to MO HealthNet payments, whether or not the records are commingled with non-Title XIX (Medicaid) records;

D. Failure to make requested records available within ten (10) business days from the request;

E. Failure to keep and make available adequate records which adequately document the services and payments;

F. For providers other than long-term care facilities, failure to retain in legible form for at least six (6) years from the date of service, worksheets, financial records, appointment books, appointment calendars (for those providers who schedule patient/client appointments), adequate documentation of the service, and other documents and records verifying data transmitted to a billing intermediary, whether the intermediary is owned by the provider or not; or

G. For long-term care providers, failing to retain in legible form, for at least seven (7) years from the date of service, worksheets, financial records, adequate documentation for the service(s), and other documents and records verifying data transmitted to a billing intermediary, whether the intermediary is owned by the provider or not. The documentation must be maintained so as to protect it from damage or loss by fire, water, computer failure, theft, or any other cause;

17. Removing or coercing from the possession or control of a participant any item of durable medical equipment which has reached MO HealthNet-defined purchase price through MO HealthNet rental payments or otherwise become the property of the participant without paying fair market value to the participant;

18. Failure to timely submit civil rights compliance data or information or failure to timely take corrective action for civil rights compliance deficiencies within thirty (30) days after notification of these deficiencies or failure to cooperate or supply information required or requested by civil rights compliance officers of the single state agency;

19. Billing the MO HealthNet program for services rendered to a participant in a long-term care facility when the resident resided in a portion of the facility which was not MO HealthNet-certified or properly licensed or was placed in a non-licensed or MO HealthNet non-certified bed;

20. Failure to submit proper diagnosis codes, procedure codes, billing codes regardless to whom the reimbursement is paid and regardless of who in their employment or service produced or submitted the MO HealthNet claim;

21. Failure to submit and document, as defined in subsection (2)(A), the length of time (begin and end clock time) actually spent providing a service, except for services as specified under 13 CSR 70-91.010(4)(A) Personal Care Program, regardless to whom the reimbursement is paid and regardless of who in their employment or service produced or submitted the MO HealthNet claim or both;

22. Billing for the same service as another provider when the service is performed or attended by more than one (1) enrolled provider. MO HealthNet will reimburse only one (1) provider for the exact same service;

23. Failure to repay or make arrangements for the repayment of identified overpayments or otherwise improper payments prior to the allowed forty-five (45) days which the provider has to refund the requested amount;

24. Presenting, or causing to be presented, for payment, any false or fraudulent claim for services or merchandise in the course of business related to MO HealthNet by an agent or employee of the provider;

25. Submitting, or causing to be submitted, false information for the purpose of meeting prior authorization requirements or for the purpose of obtaining payments in order to avoid the effect of those changes;

26. Submitting, or causing to be submitted, false information for the purpose of obtaining greater compensation than that to which the provider is entitled under applicable MO HealthNet program policies or rules, including but not limited to the billing or coding of services

which results in payments in excess of the fee schedule for the service actually provided or billing or coding of services which results in payments in excess of the provider's charges to the general public for the same services or billing for higher level of service or increased number of units from those actually ordered or performed or both, or altering or falsifying medical records to obtain or verify a greater payment than authorized by a fee schedule or reimbursement plan;

27. Engaging in conduct or performing an act deemed improper or abusive of the MO HealthNet program or failing to correct deficiencies in provider operations within ten (10) days or a date specified after receiving written notice of these deficiencies from the single state agency or within the time frame provided from any other agency having licensing or certification authority. This will include inappropriate or improper actions relating to the management of participants' personal funds or other funds;

28. Billing violations as follows:

A. Billing for services through an agent, which were upgraded from those actually ordered and performed;

B. Billing or coding services, either directly or through an agent, in a manner that services are paid for as separate procedures when, in fact, the services were performed concurrently or sequentially and should have been billed or coded as integral components of a total service as prescribed in MO HealthNet policy for payment in a total payment less than the aggregate of the improperly separated services;

C. Billing a higher level of service than is documented in the patient/client record; or

D. Unbundling procedure codes;

29. Utilizing or abusing the MO HealthNet program as evidenced by a documented pattern of inducing, furnishing, or otherwise causing a participant to receive services or merchandise not otherwise required or requested by the participant, attending physician, or appropriate utilization review team; or as evidenced by a documented pattern of performing and billing tests, examinations, patient visits, surgeries, drugs, or merchandise that exceed limits or frequencies determined by the department for like practitioners for which there is no medical necessity, or for which the provider has created the need through ineffective services or merchandise previously rendered;

30. Failure to take reasonable measures to review claims for payment for accuracy, duplication, or other errors caused or committed by employees when the failure allows material errors in billing to occur. This includes failure to review remittance advice statements provided which results in payments which do not correspond with the actual services rendered;

31. Submitting a false or fraudulent application for provider status which misrepresents material facts. This shall include concealment or misrepresentation of material facts required on any provider agreements or questionnaires submitted by affiliates when the provider knew, or should have known, the contents of the submitted documents;

32. Violating any laws, regulations, or code of ethics governing the conduct of occupations or professions or regulated industries that pertain to said provider. In addition to all other laws which would commonly be understood to govern or regulate the conduct of occupations, professions, or regulated industries, this provision shall include any violations of the civil or criminal laws of the United States, of Missouri, or any other state or territory, where the violation is reasonably related to the provider's qualifications, functions, or duties in any licensed or regulated profession or where an element of the violation is fraud, dishonesty, moral turpitude, or an act of violence;

33. Being formally reprimanded or censured by a board of

licensure or an association of the provider's peers for unethical, unlawful, or unprofessional conduct; or any termination, removal, suspension, revocation, denial, probation, consented surrender, or other disqualification of all or part of any license, permit, certificate, or registration related to the provider's business or profession in Missouri or any other state or territory of the United States;

34. Conducting any action resulting in a reduction or depletion of a long-term care facility MO HealthNet participant's personal funds or reserve account, unless specifically authorized in writing by the participant, relative, or responsible person;

35. Making any payment to any person in return for referring an individual to the provider for the delivery of any goods or services for which payment may be made in whole or in part under MO HealthNet. Soliciting or receiving any payment from any person in return for referring an individual to another supplier of goods or services regardless of whether the supplier is a MO HealthNet provider for the delivery of any goods or services for which payment may be made in whole or in part under MO HealthNet is also prohibited. "Payment" includes, without limitation, any kickback, bribe, or rebate made, either directly or indirectly, in cash or in-kind;

36. Using fraudulent billing practices arising from billings to third parties for costs of services or merchandise or for gross negligent practice resulting in death or injury or substandard care to persons including but not limited to the provider's patients;

37. Having an adverse action administered against the provider by another state Medicaid program;

38. An administrative or judicial finding of civil or criminal fraud against the MO HealthNet program or any other state Medicaid program, or any criminal fraud related to the conduct of the provider's profession or business;

39. Being excluded, suspended, or terminated from participation, or having payments suspended by the Medicare program or any other federal health care program. Voluntarily terminating from the Medicare program or other federal health care program is not a violation.

#### (5) Imposition of an Administrative Action.

(A) The decision as to the administrative action to be imposed shall be at the discretion of MMAC. The following factors shall be considered in determining the administrative action(s) to be imposed:

1. Seriousness of the offense(s) – The state agency shall consider the seriousness of the offense(s) including but not limited to whether or not an overpayment (that is, financial harm) occurred to the program, whether substandard services were rendered to MO HealthNet participants, or circumstances were such that the provider's behavior could have caused or contributed to inadequate or dangerous medical care for any patient(s), or a combination of these. Violation of pharmacy laws or rules, practices potentially dangerous to patients, and fraud are to be considered particularly serious;

2. Extent of violations – The state MO HealthNet agency shall consider the extent of the violations as measured by but not limited to the number of patients involved, the number of MO HealthNet claims involved, the number of dollars identified in any overpayment, and the length of time over which the violations occurred. The MO HealthNet agency may calculate an overpayment or impose administrative actions under this rule by reviewing records pertaining to all or part of a provider's MO HealthNet claims. When records are examined pertaining to part of a provider's MO HealthNet claims, no random selection process in choosing the claims for review as set forth in 13 CSR 70-3.130 need be utilized by the MO HealthNet agency. But, if the random selection process is not

used, the MO HealthNet agency may not construe violations found in the partial review to be an indication that the extent of the violations in any unreviewed claims would exist to the same or greater extent;

3. History of prior violations—The state agency shall consider whether or not the provider has been given notice of prior violations of this rule or other program policies. If the provider has received notice and has failed to correct the deficiencies or has resumed the deficient performance, a history shall be given substantial weight supporting the agency's decision to invoke administrative actions. If the history includes a prior imposition of administrative action(s), the agency should not apply a lesser action in the second case, even if the subsequent violations are of a different nature;

4. Prior imposition of administrative actions—The MO HealthNet agency shall consider more severe administrative action in cases where a provider has been subject to actions by the MO HealthNet program, any other governmental medical program, Medicare, or exclusion by any private medical insurance carriers for misconduct in billing or professional practice. Restricted or limited participation in compromise after being notified or a more severe action should be considered as a prior imposition of actions for the purpose of this subsection;

5. Prior provision of provider education—In cases where administrative actions are being considered for billing deficiencies only, the MO HealthNet agency may mitigate its action if it determines that prior provider education was not provided. In cases where actions are being considered for billing deficiencies only and prior provider education has been given, prior provider education followed by a repetition of the same billing deficiencies shall weigh heavily in support of the medical agency's decision to invoke severe actions; and

6. Actions taken or recommended by peer review groups, licensing boards, or Professional Review Organizations (PRO) or utilization review committees—Actions or recommendations by a provider's peers shall be considered as serious if they involve a determination that the provider has kept or allowed to be kept substandard medical records, negligently or carelessly performed treatment or services, or, in the case of licensing boards, placed the provider under restrictions or on probation.

**TITLE 13 – DEPARTMENT OF SOCIAL SERVICES  
Division 70 – MO HealthNet Division  
Chapter 8 – Program of All-Inclusive Care for the Elderly**

**ORDER OF RULEMAKING**

By the authority vested in the Department of Social Services, MO HealthNet Division, under section 208.152, RSMo Supp. 2022, and sections 208.153, 208.201, and 660.017, RSMo 2016, the division adopts a rule as follows:

13 CSR 70-8.010 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on September 1, 2022 (47 MoReg 1298-1299). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The MO HealthNet Division received one (1) comment on the proposed rule.

COMMENT #1: Heath Rath, Executive Director with PACE KC-Swope Health, comments the following: "I am reaching out for some clarity on the proposed Missouri PACE Regulation that was recently published for comment... After reviewing the proposed language I was unable to find mention of the exclusivity within a PO's market place that was discussed on our 6/21 call. I just wanted to check in to see if this was a possible oversight or if MHD had changed their view on the issue. Better understanding the background on this will help me determine if we should provide formal comment or if the matter is resolved... Thanks again for your work making PACE accessible to the older adults of Missouri."

RESPONSE AND EXPLANATION OF CHANGE: MHD agrees that language governing service areas, particularly provisions identifying how service areas are determined and whether they are exclusive to one PACE organization, is needed. A new section (12) is being added to the proposed rule addressing this topic.

**13 CSR 70-8.010 Program of All-Inclusive Care for the Elderly**

(12) Provider Service Areas.

(A) The PO shall designate its service area in the application process through CMS.

1. A service area is made up of the county, zip code(s), street boundaries, census tract, block, or tribal jurisdictional area, as applicable, in which a participant must live in order to receive services from any given PO. The division may require that the service area be made up of one of these types of geographic areas.

2. A PO shall have the exclusive use of its designated service area.

3. The service area shall be established in the program agreement.
